Fulton County

It's nice to know

that natural gas is on the job serving the greatest percentage of heating needs in Northwestern Ohio. Economy, convenience and service are good reasons to choose natural gas.

Henry County

Williams County

ECONOMY - natural gas is the most economical fuel.

CONVENIENCE - simply set one thermostat and the Ohio Gas Company takes over the job of keeping a constant supply of natural gas at your fingertips.

It's nice to know natural gas is helping to keep your family comfortable, isn't it?
